

THE AMERICAN RADIO RELAY LEAGUE

EXECUTIVE HEADQUARTERS
HARTFORD, CONNECTICUT

OFFICIAL ORGAN: QST
KENNETH B. WARNER, EDITOR

From Division Manager,
To: All Division Personnel,
Subject: Daylight Transcons.

Just to remind you of our second attempt to get across the country in daylight, I want to call your attention to November QST, page 30.

We failed to get over the first time because enough stations were not on the job. Now in the second attempt we want YOUR station on the air--we want OUR division to come through 100%--we want every message that comes into our division to go through without a hitch.

There will be three messages going east and two west. Each will have a special prefix so you will know which way its going.

Transcon East	No. 1	will start from	Seattle, Washington.
"	"	No. 2	" " " Walnut Grove, Calif.
"	"	No. 3	" " " Denver, Colorado.
"	West	No. 1	" " " Boston, Mass.
"	"	No. 2	" " " Wilmington, N. C.

I urge you to take advantage of the opportunity during what Sundays we have left, to work up a chain of stations with which you can communicate in daylight--try all directions too as no one can tell what routes the messages will take.

One more thing: Be sure to send a complete copy of your log during these tests to A.R.R.L. Headquarters just as soon as you can--not later than December 4th.

Pin this letter up in your shack and let's put it over this time.

Sincerely yours,

[Signature]
Division Manager

B.A. Ott. asst. D.M.
